

Traditional Japanese Embroidery

A presentation by Carol Algie Higginbotham

sponsored by the Inland Empire Chapter of the Embroiderers' Guild of America, Inc.

Saturday, May 15, 9:30 to 11:30 a.m.

- Illustrated lecture
See historic and contemporary pieces of embroidery
Visit embroidery schools in Japan and the United States
- Learn how traditional Japanese embroidery is done
- Watch demonstrations of traditional embroidery techniques
- See samples of traditional Japanese embroidery

Silk embroidery, as seen on kimonos and obis, has developed in Japan over the last 1600 years. The embroidery is worked on silk fabric using silk and metal threads. Designs, inspired by nature, use traditional Japanese motifs.

Public welcome with museum admission.
The Embroiderers' Guild will request a donation of \$5 per person for the presentation.
